Subject: Kiawah Island Utility, Incorporated Rate Case - Proposed Orders - DN 2021-324-WS

To the Parties:

Thank you for your participation in an excellent status conference today. I do believe much was accomplished.

I need to hear from you on the subject of proposed order due dates.

Do you have any thoughts?

Please keep in mind that all Commissioners are now reviewing all Orders before issuance. For this reason, we really need extra time for review at this end.

For this reason, what would you think of a proposed order filing date of April 28, 2022? I know that sounds close, but keep in mind that if we received the Proposed Order on Thursday, April 28, 2022, it could not be on a Commission Agenda until Thursday, May 5, 2022, with a final Order due date of May 31, 2022. And, at present, there is no Commission Business Agenda Meeting planned for Thursday, May 12, 2022.

Please give this matter some thought, since I am sure the Chairman will be bringing up the subject of proposed orders on Monday.

Thanks,

David Butler
